

## **COME TO SCHOOL DAY**

**November 4<sup>th</sup>, 2016**

8:40am - 11:20am

### **The Role of STEAM in Progressive Education**

Join us to learn about what STEAM is and how it is connected to our roots in Progressive Education.

Goals of the morning are:

- To help parents gain a better understanding of what STEAM is and how it is integrated into our daily work and our Progressive Education philosophy.
- To introduce parents to the Design Thinking Framework that the students are using.
- To allow students an opportunity to guide visitors through a STEAM experience.
- To introduce parents to our Maker Space and share how STEAM activities are integrated into the classrooms.
- To introduce parents to some of the materials, equipment and activities students are experiencing that are connected to engineering, computer science, robotics, electric circuitry, and more.
- To allow parents an opportunity to ask questions and delve more deeply into the STEAM/MAKER SPACE/TINKERING world.

#### **Schedule:**

- **Coffee - 8:40am - 9:00am - Foyer**
- **Program - 9:00am - 9:45am - Program in Auditorium**
- **Classroom Visit and Debrief - 9:50am - 10:30am**
- **Visit Maker Space and Q and A in the Resource Center - 10:35am - 11:15am**

---
